WEIGHED BY: Beck's Hybrids-Scott Kinney

“My Beck’s dealer recommended that I use 5339CBCL on a rougher piece of ground and plant it at a population around 30,000. The stand and health of this hybrid contributed to the highest yields I have ever had in my farming career on that rough farm. I am pleased with the yields and the support I get from Beck’s.”

Ed Boyle
Saybrook, IL
