WEIGHED BY: Beck's Hybrids-Brian Duffy, Kurt Bandel

“Beck 336NRR’s were just outstanding this year. We had 102 acres in three fields that averaged 71.6 Bu./A., 60 lb. test weight at 11.6% moisture. That is the highest soybean yield average we’ve ever had. These beans were really podded and standing great.

I think the Beck’s Sure Gro coating had a lot to do with it. We are very happy with our Beck’s soybeans.”
