ALWAYS READ AND FOLLOW PESTICIDE LABEL DIRECTIONS. Roundup Ready® crops contain genes that confer tolerance to glyphosate, the active ingredient in Roundup® brand agricultural herbicides. Roundup® brand agricultural herbicides will kill crops that are not tolerant to glyphosate. Consult with your seed representative for current stewardship information. Roundup®, Roundup PowerMAX®, Roundup Ready®, YieldGard VT®, YieldGard VT Rootworm/RR2®, and YieldGard VT Triple® are trademarks of Monsanto Technology LLC. Respect the Refuge® and Respect the Refuge and Corn Design® are registered trademarks of National Corn Growers Association. All other trademarks are the property of their respective owners. Ignite, LibertyLink, the Water Droplet design, and PONCHO are registered trademarks of Bayer. Herculex® Insect Protection technology by Dow AgroSciences and Pioneer Hi-Bred.®Herculex and the HX logo are registered trademarks of Dow AgroSciences LLC. Optimum® AcreMax™ insect protection system available through the XL™ brand. XL™, Optimum® and AcreMax™ are trademarks of Pioneer Hi-Bred. XL™ is distributed by Beck's Hybrids. Optimum® AcreMax™ 1, Optimum® AcreMax™ RW, Herculex I, Herculex RW and Herculex XTRA trait products' availability are subject to re-registration by the U.S. Environmental Protection Agency. Agrisure is a registered trademark of a Syngenta Group Company. CLEARFIELD and LIGHTNING are registered trademarks of BASF. Roundup Ready is a registered trademark used under license from Monsanto Company. Agrisure® and Agrisure Viptera™ are trademarks or registered trademarks of a Syngenta Group Company. For more information, visit www.agrisuretraits.com. DuPont™ is a trademark of E. I. du Pont de Nemours and Company or its affiliates. Greenleaf Genetics® is a registered trademark of Greenleaf Genetics LLC.

Seed products with the LibertyLink® (LL) trait are resistant to the herbicide glufosinate ammonium, an alternative to glyphosate in corn, and combine high-yielding genetics with the powerful, non-selective, postemergent weed control of Ignite® herbicide for optimum yield and excellent weed control. Products containing the Agrisure Viptera trait will not be available for sale prior to Syngenta obtaining all necessary import approvals.

BicepIII Magnum®, Callisto®, Fusilade WG®, Raptor®, Force®, Lexar®, Princep® are trademarks of a Syngenta Group Company. Headline®, Basagran®, Twinline™ are trademark of BASF. Mustang Max® is a trademark of FMC. Agrilience Cornerstone™ is a trademark of Agrilience. Arctic® is a trademark of Crop Data Management Systems. Nimble® is a trademark of Cheminova Inc. Caramba™ is a trademark of CDMS. Dimilin® is a trademark of Chemtura.

Export Approval Notice

* Although fully approved in the United States, Canada and Japan, grain and certain grain by-products from THESE HYBRIDS MAY NOT BE APPROVED for all markets. Customers are advised to discuss trait acceptance policies with their local grain handler prior to delivering grain containing biotech traits.

** Monsanto Company is a member of Excellence Through Stewardship® (ETS). Monsanto products are commercialized in accordance with ETS Product Launch Stewardship Guidance, and in compliance with Monsanto's Policy for Commercialization of Biotechnology-Derived Plant Products in Commodity Crops. This product has been approved for import into key export markets with functioning regulatory systems. Any crop or material produced from this product can only be exported to, or used, processed or sold in countries where all necessary regulatory approvals have been granted. It is a violation of national and international law to move material containing biotech traits across boundaries into nations where import is not permitted. Growers should talk to their grain handler or product purchaser to confirm their buying position for this product. Excellence Through Stewardship® is a registered trademark of Biotechnology Industry Organization. B.t. products may not yet be registered in all states. Check with your seed representative for the registration status in your state.
