

FIERCE XT

NEW GENETICS!

Fall Dormancy: 4.0
 Winterhardiness: 2.0
 Disease Resistance: 30

- High-yielding alfalfa bred for the toughest soils
- Excellent disease package with Aphanomyces Race 1 and 2 resistance and moderate resistance to Race 3
- Branch Root
- Exceptional stand persistence with fast regrowth

Yield Comparison*

| Variety | Tons/Acre |
|-----------------|-----------|
| Fierce XT | 7.16 |
| 55Q27 | 7.15 |
| Hybriforce 3400 | 6.95 |
| Hi-Gest 360 | 6.57 |
| Rebound6XT | 6.63 |
| WL 365HQ | 6.59 |

*Seeded April 2018, Tonnage Data: 4-Cut

Disease Resistance Index

| Disease | Resistance Level* |
|-----------------------------------|-------------------|
| Anthracnose | HR |
| Aphanomyces Race 1 & 2 | HR |
| Aphanomyces Race 3 | MR |
| Bacterial Wilt | HR |
| Fusarium Wilt | HR |
| Phytophthora | HR |
| Verticillium Wilt | HR |

*HR = Highly Resistant | MR = Moderately Resistant

Seeding Information

| | |
|----------------|-----------------------------------|
| Drill Rate | 18 - 22 lb./A. |
| Broadcast Rate | 25 lb./A. + |
| Depth | 1/4 in. - 1/2 in. |
| Planting Dates | April - May August - September |

Agronomic Characteristics

| | |
|----------------|------------|
| Recovery | Fast |
| Root Type | Tap/Branch |
| Standability | Good |
| Forage Yield | Excellent |
| Forage Quality | Excellent |

| Variety | NDFD | Tons/A. | Lignin | RFQ | Milk/Ton | Milk/A. |
|------------------|------|---------|--------|-----|----------|---------|
| Fierce XT | 55.0 | 7.16 | 6.6 | 175 | 3,392 | 24,288 |
| Hi-Gest 360 | 51.8 | 6.57 | 6.3 | 176 | 3,356 | 22,049 |
| Rebound6XT | 51.5 | 6.63 | 6.2 | 170 | 3,309 | 21,939 |
| 55Q27 | 50.5 | 7.15 | 6.8 | 159 | 3,263 | 23,333 |
| WL 365HQ | 50.1 | 6.59 | 7.0 | 159 | 3,252 | 21,434 |
| Hybriforce 3400 | 50.6 | 6.95 | 7.1 | 155 | 3,227 | 22,430 |

Seeded April 2016 - Evansville, WI

All elite alfalfa (except Leafguard XL) is treated with Beck's Escalate® yield enhancement system which includes HydroLocQS Plus micronutrient package, a biological, and Apron XL® LS and Stamina® fungicides.
